

A LA CARTE

WELCOME TO MOLTENS RESTAURANT

We blend technique, quality and passion in order to achieve a high standard of dining experience. The different dishes cooked in our restaurant are specifically ordered and are provided from the best meat producers and suppliers.

Our restaurant offers the latest concept in dining with the interactive and unique '*Hot Rock*' cooking system: Volcanic rocks are heated to 440°C and a range of meats, fish and vegetables are seared and then served on the rocks still cooking so that you can finish the food to your taste adding sauces and seasoning to suit. No oils are used in the cooking process so the food is healthy, natural and tastes succulent.

The restaurant supervisor will be happy to assist with any dietary requirements or allergies. Please ask for our allergy friendly menu.

Wherever possible, our Chef will be pleased to offer alternatives to the dishes shown here for guests staying for a longer visit or who prefer a different style of cooking.
